SOUTH HAMS DISTRICT COUNCIL ENHANCED RECYCLING SERVICE

This new service will begin its roll-out in early March. There will be a phased introduction across the District. The vast majority of South Brent Ward will be in a LATER phase, probably MID APRIL. A small number of properties in Diptford and North Huish Parishes will be in earlier phases, MID MARCH or EARLY APRIL. This will depend upon which Collection Round they are on.

The new recycling boxes and bags will be delivered to properties 1WEEK prior to the new service starting, that obviously gives residents warning that things are about to happen! The details of the new service and how to use it are on the leaflets delivered to each participating household, on SHDC website www.southhams.gov.uk and on the Councils Facebook and Twitter pages. It's planned that from next week those in the first stage of the rollout will be able to see when they move to the new service using the link below www.southhams.gov.uk/findmycollectionday

After this, properties will be able to see when they are moving to the new service at least 2 weeks in advance of their service start date.

COUNTY CLLR RICHARD HOSKING

Cllr Hosking advised that the Budget for Devon County had been approved on 18th February and that it had been inevitable for an increase of 4.99% to be imposed - there being no alternative income streams to cover the increased cost of social care

21/03/04V Clerks Report

The Clerk advised that the next meeting would take place on Wednesday 7th April as the first Monday was Easter Monday . It was planned that the Annual Parish Meeting (the Parishioners meeting) would take place at 7pm - followed by the Annual Parish Council meeting (the yearly Meeting of the Parish Council)

As legislation stands , it will be unlawful to hold Parish Council meeting via Zoom from 7th May 2021 as the Government ruling ceases then . There are currently petitions being presented to Central Government - to continue remote meetings as it encourages younger people to stand as Councillor and also Public participation .

The Clerk was unsure how face to face meetings could take place in view of the restriction on the number of people who can meet indoors and suggested that this may all become clearer in time
